Master of Education

"I was impressed that the University of Adelaide is one of the "Group of 8", one of Australia's top universities."

## Why study at the University of Adelaide?

**The University of Adelaide is ranked in the top 1% of universities worldwide and is recognised globally for its research excellence and dedicated staff that are international leaders in their field.**

Located in the heart of Adelaide, the University's beautiful North Terrace campus forms part of the city's cultural promenade.

We warmly welcome students from over 100 countries to our university each year creating a vibrant campus community.

An international orientation program helps students towards a successful transition and provides an insight into local South Australian culture.

## Why study a Master of Education?

The Master of Education is designed for professionals working in the education industry including school leaders, teachers, educational consultants and trainers or students wishing to pursue a non-school based teaching career.

It is also suitable to study as preparation to teach in the higher education environment, or to develop your research capacity and transition into educational research and lead educational change.

## What will you do?

We offer six areas of specialisation:

- **Educational Leadership and Innovation**  
Study leadership and management theory in depth and consider how it can be applied to lead educational change.
- **Wellbeing** Examine evidence-based approaches to wellbeing support—a key knowledge area for all educators.
- **Entrepreneurship Education**  
Explore entrepreneurship and innovation and its impact on education, schools and systems.
- **Science, Technology, Engineering and Mathematics (STEM) Education**  
Investigate issues, opportunities and student engagement in STEM areas.

- **English Language Teaching (ELT/TESOL)**

Learn the latest strategies for effective English Language Teaching.

- **Research**

Strengthen your educational research skills and understandings, with opportunities to go on to a PhD.

## Flexible study options

Learn flexibly and at your own pace with classes offered in a range of convenient ways, including face-to-face and via online learning, workshops and intensives. This degree is offered as a combination of online and face-to-face courses.

## Where could it take you?

You'll graduate ready to pursue a rewarding non-school-based education career. You could revolutionise the field with a new approach to assessment or integrated curriculums. You might want to teach English to adults or work in higher education. Perhaps you'll be an education consultant or transition into research and publish your own book.

Note: This degree does not provide a recognised qualification for teaching in schools. For this pathway, see our Master of Teaching.
