

# TRY TEACHING IN THE COUNTRY WITHOUT THE COST

When you teach in the country, you'll not only grow your employment prospects. You'll make more of an impact on the lives of the students you teach and community you live in.

To start you on this adventure the Department for Education are offering scholarships for professional experience placements. We will cover the costs for accommodation, travel and living expenses.

Who can apply:

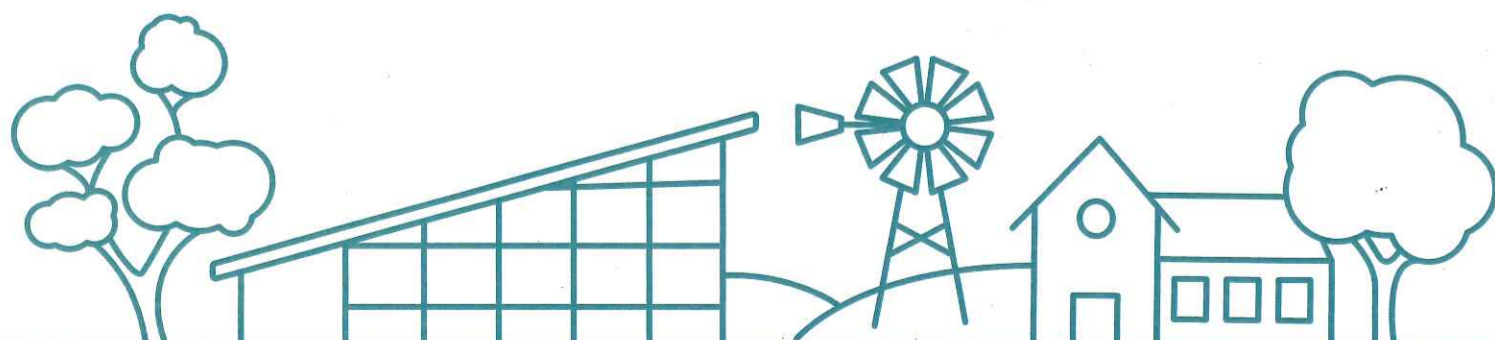

- Pre-service teachers studying in 2023
- Third or fourth year\* undergraduate degree
- Studying at Flinders University, Tabor, The University of Adelaide or UniSA.

You can also nominate to go with a fellow pre-service teacher.
