The following Rules now apply:-

#### Title

The Prize shall be called the "Hope Crampton Prize in French".

#### Value

The Prize shall be awarded annually and the value of the Prize is \$100, or such other amount as the University shall from time to time determine provided that the value of the Prize does not exceed the annual distribution of interest available from the Endowment Fund.

#### Eligibility

To be eligible for the Prize, candidates must be undertaking first year French subjects in the year in which the Prize is awarded.

#### Selection of Candidate

The Prize will be awarded to the candidate who has achieved the highest aggregate mark in order of merit for first year French subjects.

If there is no candidate of sufficient merit in any given year then the Prize will not be awarded in that year.

If there is more than one candidate of equal merit, then the Prize may be shared equally.

#### Variations

The University may vary the Rules from time to time in a manner consistent with the University's legal obligations and [policies](#).
