

THE TETRA TECH INTERNATIONAL DEVELOPMENT SCHOLARSHIP RULES

BACKGROUND

Tetra Tech International Development is an international company specialising in engineering, geotechnical, environmental, testing and project management services. Tetra Tech International Development delivers technical expertise in the transport and property infrastructure, and energy and resources sectors. Tetra Tech's International Development team delivers complex projects in regions faced with a range of challenges in partnerships with local organisations and other global professionals.

The Tetra Tech International Development Scholarships have been established by the University and Tetra Tech International Development to support up to six students who are undertaking a program of study in a relevant undergraduate field of study of International Development, including Honours, at the University. The Scholarship is financial support for the Student to help meet costs, including travel, accommodation, living and other, related to undertaking the internship placement at Tetra Tech International Development.

The following rules are hereby made:

RULES OF THE SCHOLARSHIP

1. The Scholarships shall be known as "The Tetra Tech International Development Scholarships".
2. The scholarship/s will be offered on an annual basis for a period of three years from 2022.
3. The annual value of the Scholarships are \$1,500 for Semester-based internship placements and Summer/Winter course-based internship placements; and \$3,000 for Honours level internship placements. The Scholarships will be paid direct to the student prior to or at the commencement of their internship placement at Tetra Tech International Development and following confirmation of enrolment after the relevant Census Date.
4. Recipients must be studying on a full-time basis at the University of Adelaide. Students undertaking 75% of a full course load are considered to be enrolled on a full time basis.
5. Up to six scholarships shall be awarded annually to students who are undertaking the Bachelor of International Development at undergraduate level or the Honours Degree of Bachelor of International Development HDEVT or the Honours Degree of Bachelor of Arts (International Development) HBARTS (DEVT) at Honours level and have enrolled in one of the following course offerings:
 - One scholarship to a student enrolled in the Summer School Tetra Tech International Development Internship course
 - One Scholarship to a student enrolled in the Semester 1 Tetra Tech International Development Internship course
 - One Scholarship to a student enrolled in the Winter School Tetra Tech International Development Internship course
 - One Scholarship to a student enrolled in the Semester 2 Tetra Tech International Development Internship course

- One Scholarship to a student enrolled in the Honours Tetra Tech International Development Thesis course.
 - One Scholarship at either Undergraduate or Honours level to an Aboriginal or Torres Strait Islander student enrolled in any one of the Tetra Tech International Development Internship offerings or the Honours International Development Thesis course.
6. Selection of the successful candidate will be made by a selection panel including staff from the Department of Anthropology and International Development (DEVT Staff) and Tetra Tech International Development. Selection will be based on academic merit and suitability of the candidates. Academic merit will be determined according to students' overall cumulative Grade Point Average (GPA). Suitability of the candidates will be determined through an application process that may include an interview.
 7. Successful candidates will do the Tetra Tech International Development Internship under the guidance of a Tetra Tech International Development staff member and have an academic supervisor from the Department of Anthropology and International Development at The University of Adelaide. Students will enter into a Placement Agreement prior to commencing the internship. The project undertaken will be identified by Tetra Tech International Development with advice from DEVT staff and will count towards the recipient's qualification. Research projects will be in the field of international development.
 8. Each internship placement will be the subject of a separate agreement between the University, Tetra Tech International Development and the successful Student, and is intended to provide the Student with the opportunity to build upon and reinforce the knowledge and skills acquired through their program of study through practical application in a professional environment.
 9. The scholarship must be taken up in the year in which it is offered; acceptance of the scholarship offer cannot be deferred. In accordance with the eligibility criteria, if there is no suitable candidate identified for one of the International Development Internship offerings or the Honours International Development Thesis course, the remaining scholarship may be awarded to a second student enrolled in the International Development Internship course in Semester 2 of the same year. If a student declines the scholarship offer, the scholarship will be offered to the next eligible student.
 10. Applicants must be able to demonstrate that the funds will be used for costs associated with the internship such as travel, accommodation, living costs and program-related expenses.
 11. The scholarships shall be administered by the relevant faculty or other University department as directed by the relevant Executive Dean office.
 12. Students in receipt of other University of Adelaide Scholarships can apply for this Scholarship.
 13. The scholarship will be terminated where:
 - a student ceases to be enrolled in the approved program of study at the University;

- a student has provided false or misleading information with regard to their personal details;
- a student has failed to maintain satisfactory academic progress and/or internship placement standards;
- a student is determined by the University to have committed an act of misconduct under the University's relevant Statute, Rules, Policies and Procedures

14. The rules of the Scholarship may be varied from time to time by the University.
