### Degree Information

- Students must ensure they are correctly enrolled in accordance with the [Diploma of Business Program Rules](#).
- A total of 24 units is required to complete the Diploma of Business.
- The Diploma in Business is a flexible business degree designed to prepare students for a range of careers in business, industry or government. The program provides a foundation for career paths into entry level business positions
- If you want to study further, and successfully pass the diploma, you'll be guaranteed entry into a range of University of Adelaide business degrees, plus gain credit for courses you've completed in the Diploma of Business.

\*If you are considering continuing into the Bachelor of Commerce in Accounting, you are recommended to enrol into ACCTING 1004 Accounting Foundations

\*\*If you are considering continuing on studying in:  
Bachelor of Commerce in Accounting  
Bachelor of Commerce in Corporate Finance  
Bachelor of Business in Management  
Bachelor of Business in International Business

You are strongly encouraged to do ECON 1012 Principles of Economics as your elective as it is core to those programs.

### Open Electives and Broadening Electives

All Diploma of Business students must include 3 units of broadening electives, a list to popular electives can be found [here](#).

Broadening elective courses can also be searched for via the [Course Planner](#).

There have been some changes to the Adelaide Business School programs in 2021. There is now an option for Diploma of Business students to transition to either the Bachelor of Commerce or Bachelor of Business. Please contact your Student Adviser for further guidance or advice.
