ALL COURSES ARE WORTH 3.00 UNITS UNLESS SPECIFIED OTHERWISE

Degree Information

- Students must ensure they are correctly enrolled in accordance with the [Academic Program Rule](#)
- A total of 72.00 units is required to complete the Bachelor of Commerce in Corporate Finance
- Students must ensure they check pre-requisites and and courses restrictions before enrolling in a course via the [University Course Planner](#)
- We recommend using this study plan and the [University Course Planner](#) to research which semester your compulsory courses are available, check for pre-requisites/restrictions, [research interesting electives](#), plan your timetable and enrol as soon as possible for the entire year

Elective courses

Students may include electives from any Undergraduate courses offered by the University that are available to the students. A [guide to choosing Open or Broadening electives](#) can be found on the Professions Support Hub website.

Further Information and Enrolment Advice

More information, enrolment checks and program advice can be sought from the Professions Support Hub team.
