Completed	Enrolled	To complete
-----------	----------	-------------

#### Degree Information

- Students must ensure they are correctly enrolled in accordance with the Academic [Program Rules](#).
- A total of 36 is required to complete the Master of Applied Project Management 1.5 year program
- Students must ensure they check prerequisites and courses restrictions before enrolling in a course via the [Course Planner](#)

### Program Notes

Capstone research should be completed in your final trimester of study once you have completed all of the core courses.

\*Students should undertake either of the following courses based on their individual circumstances.

#### PROJMGNT 7024:

Choose this course if operating in complex environments such as enterprise focused, software, defence, entrepreneurial, and most government initiated social programs

#### PROJMGNT 7057

Choose this course if they operate in linear projects such as construction, ship building, etc.

### Electives

Electives can be taken from [PROJMGNT](#) or [ENTREP](#).

Study tours and Internships may be permitted.

**\*It is recommended that you enrol for the full year.**

> Trimester – to enrol in 9 units per trimester
